CERTIFICATE OF CONSTANCY OF PERFORMANCE
1488-CPR-1076/W

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

PCC Microsilica EN silica fume for concrete category 1

Total content of alkalis – declared value $\leq 2\%$ of mass
Content of silicon dioxide, elemental silicon, free calcium oxide, sulfate, chloride, loss on ignition, specific surface, activity index according to EN 13263-1:2005+A1:2009
Intended use: as an addition type II for concrete, mortar, grout and other mixes

placed on the market under the name or trade mark of:

PCC BakkiSilicon hf
Bakkavegur 2
640 Husavik
Iceland

and produced in the manufacturing plant:

PCC BakkiSilicon hf
Bakkavegur 2
640 Husavik
Iceland

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 13263-1:2005+A1:2009

under system 1+ for the performance set out in this certificate are applied and that the factory production control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product.

This certificate was first issued on 07.12.2023 and will remain valid as long as neither the harmonised standard, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified product certification body.
